

## Conduent Presents Lending Solutions that Drive Efficiency at LendIt Fintech 2022

May 24, 2022

FLORHAM PARK, N.J., May 24, 2022 (GLOBE NEWSWIRE) -- [Conduent Incorporated](#) (Nasdaq: CNDT), a business process services and solutions company, will be onsite at [LendIt Fintech](#) from May 25 to May 26 in New York City to feature its lending solutions that efficiently handle large volume operations, optimize workflows and improve the customer experience.

As a leading provider of loan servicing solutions in the auto financial services industry, Conduent supports 14 million consumer loans and leases, translating into managing more than \$120 billion in assets. A team of financial industry experts will be in booth 412 to discuss how Conduent's [Loan Manager](#), a cloud-based loan and lease servicing and collections platform, delivers improved account servicing and better collections recovery rates.

Conduent's Loan Manager solution helps banks and specialty financial institutions:

- Improve the customer service experience with real-time, accurate data
- Lower IT and operations costs by as much as 25% by improving process efficiencies across loan and lease servicing and collections operations
- Integrate with other service providers through an extensive API library
- Drive higher consumer satisfaction rates through omnichannel capabilities

"The current financial services environment is ripe for breakthroughs in operational efficiency and customer experience. However, seizing on opportunities is difficult if an organization is mired in challenges like complex legacy systems, back-office processing hurdles, or high-volume call center needs," said Jeff Higdon, senior director, consumer lending and capital markets at Conduent. "Our teams and technologies meet the challenges head-on and clear a new path to digital experiences and business growth."
