

Toyota Financial Services Recognizes Conduent with Supplier Excellence Award for the Second Consecutive Year

June 16, 2022

FLORHAM PARK, N.J., June 16, 2022 (GLOBE NEWSWIRE) -- Toyota Financial Services named [Conduent Incorporated](#) (Nasdaq: CNDT), a business process services and solutions company, a 2022 Toyota Supplier of the Year. Toyota awarded the honor at its 2022 Toyota Supplier Conference in Plano, Texas in April.

For the second consecutive year, the Toyota Financial Services Supplier Excellence Award in Service Operations recognized Conduent's work for digitally transforming [document management](#) by automating document intake, extracting data and automating workflows improving essential backoffice operations. Conduent has partnered with Toyota for 15 years to deliver quality, convenience, and consistency for customers.

Conduent's [automated document solutions](#) help companies increase productivity with machine learning and artificial intelligence by taking information from both digital and paper documents, including handwritten forms, extracting the data, and automatically routing the document based on business rules. Through the proprietary automation platform, the accuracy of the end-to-end transactions is increased and businesses can improve efficiency, costs, and regulatory compliance.

"We appreciate this recognition from Toyota Financial Services as it shows how our work together is having a positive impact on their business and that our long-term relationship is valued," said Randall King, President, Commercial Solutions at Conduent. "We are proud of how our team is delivering automated solutions to help streamline operations and improve the quality of data for Toyota Financial Services."

About Conduent

Conduent delivers mission-critical services and solutions on behalf of businesses and governments – creating exceptional outcomes for its clients and the millions of people who count on them. Through our dedicated people, processes, and technologies, Conduent solutions and services enhance customer experience, increase efficiencies, reduce costs, and improve performance for most Fortune 100 companies and more than 500 government entities.
