Conduent's loan management solutions support clients with operational excellence across a loan's life cycle

FLORHAM PARK, N.J., June 06, 2023 (GLOBE NEWSWIRE) -- [Conduent Incorporated](#) (Nasdaq: CNDT), a global technology-led business solutions and services company, will be onsite at the National Automotive Finance (NAF) Association's Annual Non-Prime Auto Financing Conference, from June 7-9 in Plano, Texas, in booth 203. Conduent will be showcasing its [Auto Loan Management solutions](#), which feature its best-in-class platform that streamlines the loan management process, account servicing and collections.

"Financial institutions are navigating an ever more complex market and economic uncertainty. Conduent's experienced team and technology are supporting clients as their needs change to keep pace with the demands of their customers," said Dharma Rajagopalan, Vice President and General Manager at Conduent. "With markets and consumers seemingly in continued economic flux, Conduent's auto loan management solutions are scalable, customizable and secure."

As a leading provider of technology solutions and expertise for more than 30 years in the loan servicing industry, Conduent supports more than 14 million consumer loans and leases. Clients automate and streamline their processes through several of Conduent's loan management solutions:

- [Loan Manager](#): a private cloud-based and fully customizable loan servicing system that helps businesses automate processes and navigate the auto financing landscape, reducing costs and delivering exceptional customer experiences. The demand-based SaaS approach removes the burden of buying, installing, upgrading and managing servers and infrastructure for financial institutions and consumer finance firms. The highly scalable, customizable and secure platform provides real-time visibility into loan and lease balances and transactions.
- [Account servicing](#): Conduent's customer contact services specialize in delivering services via telephone, mail, SMS text, and email, integrating features to automate processes and reporting.
- [Account collections](#): These solutions pair Conduent teams and technology, supporting many aspects of collections operations including customer care, blended collection calls, payment processing, omnichannel communications and payment plan administration.
