Company to continue to partner on the state's Medicaid Management Information System to better serve providers and residents

FLORHAM PARK, N.J.--(BUSINESS WIRE)--Jan. 15, 2025-- [Conduent Incorporated](#) (Nasdaq: CNDT), a global technology-led business solutions and services company, today announced a \$92 million contract with the Alaska Department of Health, Division of Health Care Services (HCS). Under this agreement, Conduent will operate and manage the state's Medicaid Management Information System (MMIS) as well as modernize the system.

Conduent has been a trusted partner to HCS since 2007 when it was first selected to deliver Medicaid Enterprise Systems technology solutions to the state of Alaska. The company will continue to manage essential services to support the state's MMIS modernization goals, streamline business processes, enhance efficiency and create better access to health services for over 260,000 Medicaid-eligible residents.

Conduent will also provide technological innovations that enhance the state's ability to improve the quality of health care, including enabling the system to process behavioral health claims to ensure recipients receive holistic healthcare and providers are paid timely and accurately.

"We are honored to continue our partnership with the Alaska Division of Health Care Services, and we share in their commitment to improving the health and well-being of its residents," said Anna Sever, President, Government Solutions at Conduent. "Our top priority is to implement modern technology that enables the state's Medicaid program operations to support high-quality payments to providers and seamless access for residents."

Conduent supports approximately 100 million U.S. residents across various government health programs, helping state and federal agencies deliver critical services while reducing costs, increasing program participation and improving compliance.

For more than 42 years, Conduent has provided a range of government solutions, including Medicaid Enterprise Systems technology and services, as well as eligibility, critical payment disbursement and child support solutions. Visit [Conduent Government Solutions](#) to learn more.
