"There is no greater testament to a successful partnership than recognition from a valued client," said Mike McDaniel, Group President, Commercial Solutions at Conduent. "We are honored to receive this award for the third time. This achievement reflects our team's deep understanding of

GM's business, delivery of strong business outcomes, and our long-lasting collaboration with the GM team. This award is the result of two great teams working seamlessly together."

### About GM's Supplier of the Year Awards

GM's Supplier of the Year awards recognizes global suppliers for their execution across key categories like safety, innovation and resilience. A global cross-functional team makes award selections based not only on an organization's performance across 2024, but also their alignment to GM's core values and ambitious goals.

"For more than 30 years, General Motors has recognized the company's top global suppliers at our annual event, spotlighting their innovation and resiliency through even the most challenging circumstances," said Jeff Morrison, global chief procurement officer at GM. "Together, we're helping bring advanced technology and the industry's broadest portfolio of vehicles to market for GM customers."

This year, 92 suppliers across 12 countries made GM's 2024 Supplier of the Year list. For more information, visit [news.gm.com](https://news.gm.com).
