Greta Van

Van currently serves as Chief Audit Executive at Jack Henry & Associates, a leading financial technology and payment processing provider. In this role, she advises the Board and Audit Committee on governance, internal controls, and enterprise risk while overseeing public company compliance and high-value strategic consulting initiatives. She has transformed the

company's internal audit function, expanded its consulting mandate, delivered cost reductions in external audit engagements, and is valued as a strategic business partner to the operations team.

Van also held senior leadership roles at PRGX, Infor Global Solutions, Crawford & Company, Internap, Comverge, and Accretive Solutions. Her experience also includes enterprise strategy, M&A governance, information security, business continuity, and operational integration.

"Greta is an exceptional leader with broad experience across governance, risk, and strategy, and her deep operational and financial expertise makes her a valuable addition to our Board," said Harsha V. Agadi, Chief Executive Officer of Conduent. "Her ability to modernize complex functions, strengthen enterprise risk frameworks, and enhance board-level reporting will help us advance our strategic priorities and deliver value to our clients, associates, and shareholders."

"I am honored to join Conduent's Board at such a pivotal time in the company's evolution," said Van. "Conduent's focus on technology-driven solutions, operational excellence, outstanding client service and quality, and disciplined transformation aligns strongly with my professional experience. I look forward to partnering with the Board and leadership team to help further accelerate performance and strengthen governance across the enterprise."
