

Conduent Ranked Among Top Global Companies for Best Culture by Comparably

April 15, 2021

Comparably also ranked Conduent among Best Places to Work in the New York City Region

FLORHAM PARK, N.J., April 15, 2021 (GLOBE NEWSWIRE) -- [Conduent Incorporated](#) (Nasdaq: CNDT) today announced that the company ranked 29th on Comparably's Best Global Company Culture list of the [Top 50](#) highest-rated cultures for companies with more than 500 employees with an international footprint.

"Being recognized in Comparably's **Best Global Culture ranking** over these past 12 challenging months is a significant achievement and a reason for all of our associates to be extremely proud," said Cliff Skelton, Chief Executive Officer, Conduent. "Together we have created a culture that is already being recognized among some of the world's top companies and continues to deliver for our clients and their customers. That says a lot about our associates and how our sense of Conduent community is strengthened by constant interaction, collaboration and connection with each other. We are one team, on one mission."

During the past year, Conduent and its associates achieved the following:

- Coalesced around a company purpose that focuses on driving client success
- Reinforced core values including teamwork, communication, accountability and inclusiveness
- Established new head of Diversity & Inclusion reporting directly to the CEO
- Ensured safety of our essential workers and all teammates during COVID-19 pandemic
- Increased associate engagement scores across all categories in our annual associate experience survey
- Implemented new training platforms to facilitate on-going learning and development
- Continued to improve client satisfaction, significantly increasing the metric for second year in a row

Comparably's Best Global Company Culture ratings were derived from current associates, within and outside of the U.S., who provided reviews of Conduent on [Comparably.com](#) over the past 12 months. Nearly 20 different workplace culture categories were measured, from compensation, leadership, and work-life balance to professional development opportunities, and perks and benefits. All ratings were given during the COVID-19 pandemic, March 2020 through March 2021.

"Despite a year challenged by a global pandemic, the companies on this year's Best Places to Work Awards have been deemed by employees as top-notch in various core culture metrics," said Comparably CEO Jason Nazar. "Conduent's wins on both a local and international scale are a testament to the organization's strong leadership and positive culture across its offices worldwide."

Among Best Places to Work in the New York City Region

Conduent was also recognized on [Comparably's Best Places to Work in New York 2021 list](#), based on sentiment ratings provided by current associates in the greater New York City area who anonymously rated their employers on [Comparably.com](#). All ratings were also given during the COVID-19 pandemic from March 2020 through March 2021, making this list especially relevant for job seekers looking for a great place to work in the area.

"It's truly an honor for our associates to be recognized for Conduent's culture and as a best place to work in the New York City area," Skelton added. "With our teams making great progress toward our growth, quality and efficiency goals, we are proud to stand among many iconic companies and are looking forward to continuing our progress and ascent in the rankings by holding true to our vision and values."

About Conduent

Conduent delivers mission-critical services and solutions on behalf of businesses and governments – creating exceptional outcomes for its clients and the millions of people who count on them. Through process, technology and our diverse and dedicated associates, Conduent solutions and services automate workflows, improve efficiencies, reduce costs and enable revenue growth. It's why most Fortune 100 companies and over 500 government entities depend on Conduent every day to manage their essential interactions and move their operations forward.
